It's time to share more about yourself. Your skating goals, skating experience and some extra info. Read carefully our Terms and Conditions and purchase your Group Class Pass.

LSLife gives you the first group class for FREE!!

Book the best class slot

Once you get your pass, go to **Schedule** in your Account and book your class in 2 different ways:

①

Book class by class.

Make sure you make the booking 5 hours before the Class starts.

②

Make a **Recurrent booking** to guarantee your spot in the class and stop worrying about any booking.

EXPIRED

All Passes have an expiration time to be used. Once this time has run out, you won't be able to use the remaining classes.

BUT make sure you **CANCEL** your booking if you think you can't come. You will get the class credit back if you make the cancellation at least 5h before the class.

Cancel

There are too many reasons like holidays, rainy or cold days, sickness, being stuck at work... for missing classes and you may end up with a pass that has not been fully used. Before getting a specific pass, check your monthly schedule to ensure you can use the pass fully before the expiration time. Like in a gym, if you can't go, you lose it. Like gyms, we don't provide the credit back or extend the pass if you can't use it for personal reasons. LSLife offers enough classes every month to complete any pass. If you expect you won't be able to use the pass, email us straight away and don't wait until the expiration of the pass to ask for an extension or extra class.

Get Ready

– Once you have booked your class based on your level check, and most liked location and time of the class, you are ready to join to the group class. If it rains, we normally change location to a covered place with enough time in advance. But we do not cancel the session.

– Please, arrive on time, so you will have time to stretch, put the skates on and get ready to learn!!
